Fondazione LIMPE per il Parkinson Onlus e Associazione Sintomi di Felicità

Premio 2025 per Giovani Ricercatori - LOI

PLEASE SEND AS A PDF FILE (name the file as: YEAR_**LOI_Surname** - e.g. 2025_LOI_Bianchi), together with the PDF file of the Declaration signed by the legal representative of the hosting institution, to fondazionelimpe@pec.it

RESEARCH AREA (check one)

Evaluation of the effects of sports activity on the improvement of motor and non-motor symptoms in Parkinson's disease

Project title (please specify the title)

Principal Investigator

Surname	Name	Organization and position	Date of birth

Education and training
list, in reverse chronological order, all degrees obtained

Research and professional experience
list, in reverse chronological order, all positions held, describing the main focus of the research activity

Technical skills and expertise
List a maximum of 10 skills, one line each (e.g. Confocal microscopy). Avoid description of the skills

Researcher profile
Indicate the ID of any ORCID or Scopus profile (strongly recommended)

Scientific publications (peer-reviewed) if available
List all publications (minimum 3 publications) of last 5 years in reverse chronological order

●

Career breaks
Indicate possible maternity/paternity leave and/or long illness (this will not condition the final decision)

Project

Abstract Summarize the research project by briefly describing: central hypothesis, objectives, specific aims, research design, methods and potential translational outcomes and potential collaborators to the project (maximum 2500 characters spaces included)
Relevance to the Call

Clearly specify how the goals of the project fit with the aims of the Call. (maximum 2000 characters spaces included)	
Bibliography List all the articles cited in the project. For each publication indicate: name of the authors, title, journal, volume, pages and year of publication. If the document is available online, provide the link. (maximum 10 references)	

Non-mandatory supplementary requirements

Graduation Grade	
Specialisation	
PhD	
Scientific Publications (please indicate the last 3 publications)
